

Activities During Camp

- In the past, participants have learned skills in Shooting Sports, Tie Dye and Paracord, as well as classes on water and the impact we have on our environment. There may be classes about snakes and birds of the Appalachians and lots of other great information.
- There are games, like shooting pool, foosball, marbles, GaGa, basketball, flag football, and volleyball that will be offered during free time.
- Camp McCroy is a beautiful, while rustic, camp in the foothills of the Smoky Mountains.
- The out-houses are heated and cooled! (Just kidding, we potty inside at this camp!)
